includes english translation of the *vita geraldii* brevior

landes traces the life and career of ademar of chabannes a monk historian liturgist and hagiographer who lived at the turn of the first christian millennium using over 1 000 folios of autograph manuscript that ademar left behind landes has been able to reconstruct in great detail the development of ademar s career and the events of his day

nearly the whole of america s partisan politics centers on a single question can markets solve our social problems and for years this question has played out ferociously in the debates about how we should educate our children from the growth of vouchers and charter schools to the implementation of no child left behind policy makers have increasingly turned to market based models to help improve our schools believing that private institutions because they are competitively driven are better than public ones with the public school advantage christopher a and sarah theule lubieniski offer powerful evidence to undercut this belief showing that public schools in fact out perform private ones

frequently includes the contents of its bulletin mensuel
